

### Sources for Window Supplies

Some of the suppliers listed below have minimum order requirements far beyond the need of a small project. In this case, contact another vendor accustomed to shipping small orders. Wholesale and retail prices vary widely and vendors seldom offer discount prices to first-time or small-order customers. Shipping and handling costs for small orders can significantly increase unit costs. Sources are listed in alphabetic order.

### Balances

#### Acme Duplex Balances

<http://www.acmeduplex.com/distributors.html>  
Tape and Duplex balances.

#### Blaine Window Hardware Inc.

17319 Blaine Drive
